Carrara Marble

CARRARA MARBLE

White ground with fine grey veining that varies naturally across each piece. Versatile and enduring, it works across a wide range of interior palettes from cool minimalist to warm traditional.

Beige Travertine

BEIGE TRAVERTINE

Warm sandy tones with natural pore texture and gentle linear movement through the stone. Pairs well with timber vanities, fixtures with warm tones and natural material palettes.

Nero Marquina

BLACK MARBLE

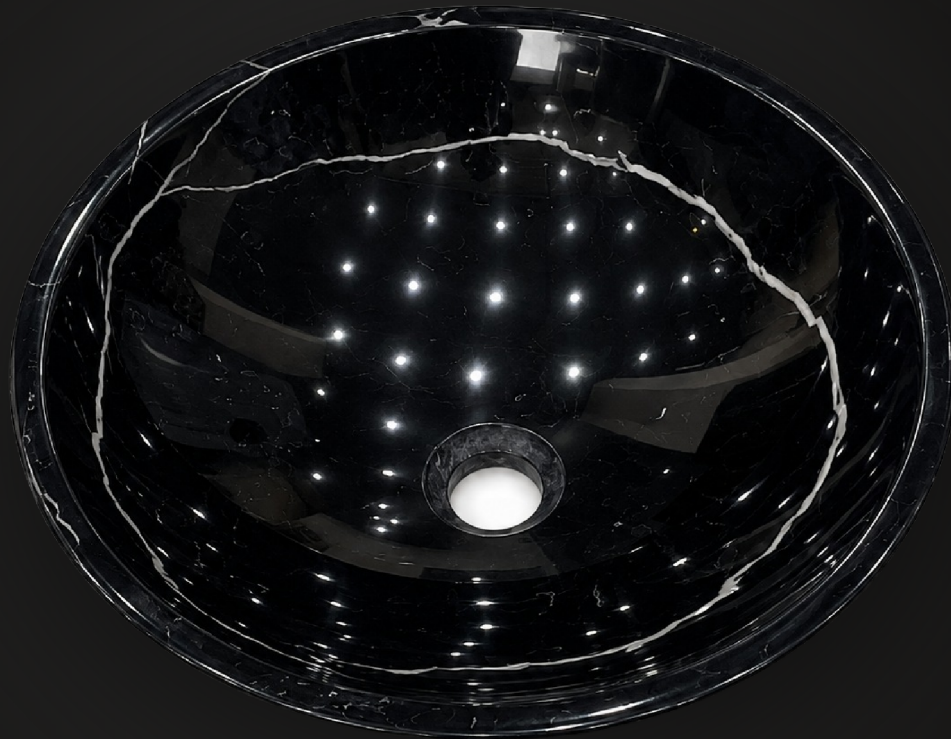

Deep jet black ground with crisp white veining. High contrast and visually bold, it works as a feature piece against both light and dark bathroom palettes.

Emerald Green

EMERALD GREEN MARBLE

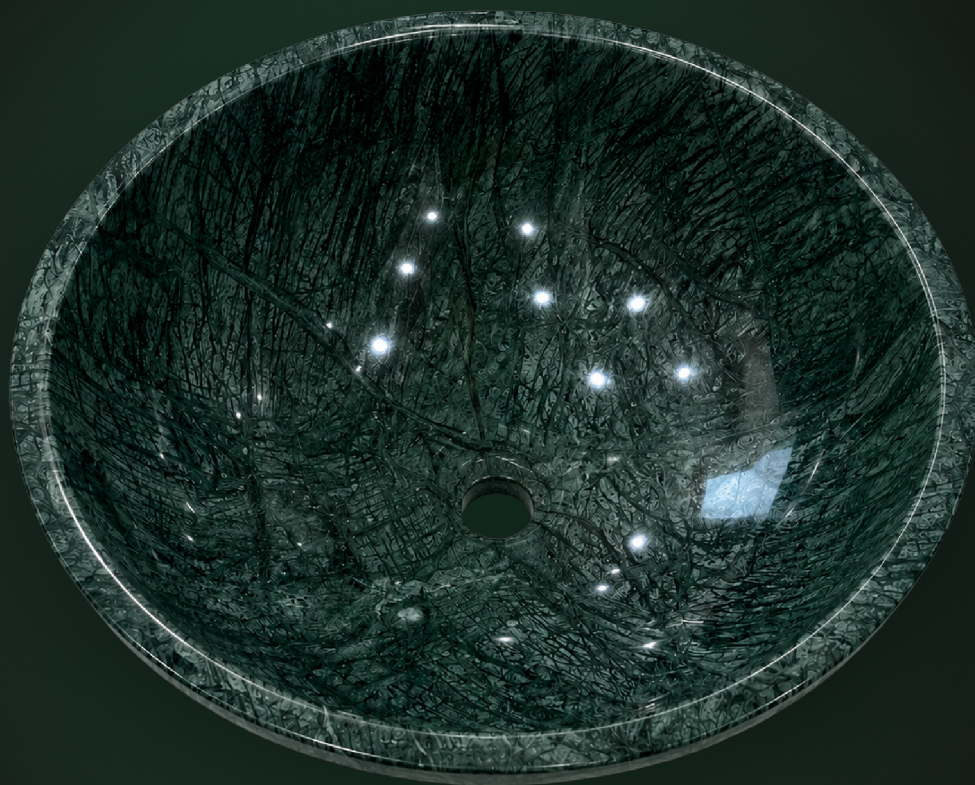

Deep emerald green with dramatic natural patterning across the surface. The visual impact is high, suited to spaces where the basin is intended as a centrepiece rather than a background element.

Ivory Onyx

WHITE ONYX

Ivory white onyx with warm amber veining and a degree of natural translucency. The stone has a soft, luminous quality in natural light, visually distinct from opaque marbles and suited to softer, warmer interior palettes.

Tiger Onyx

TIGER ONYX

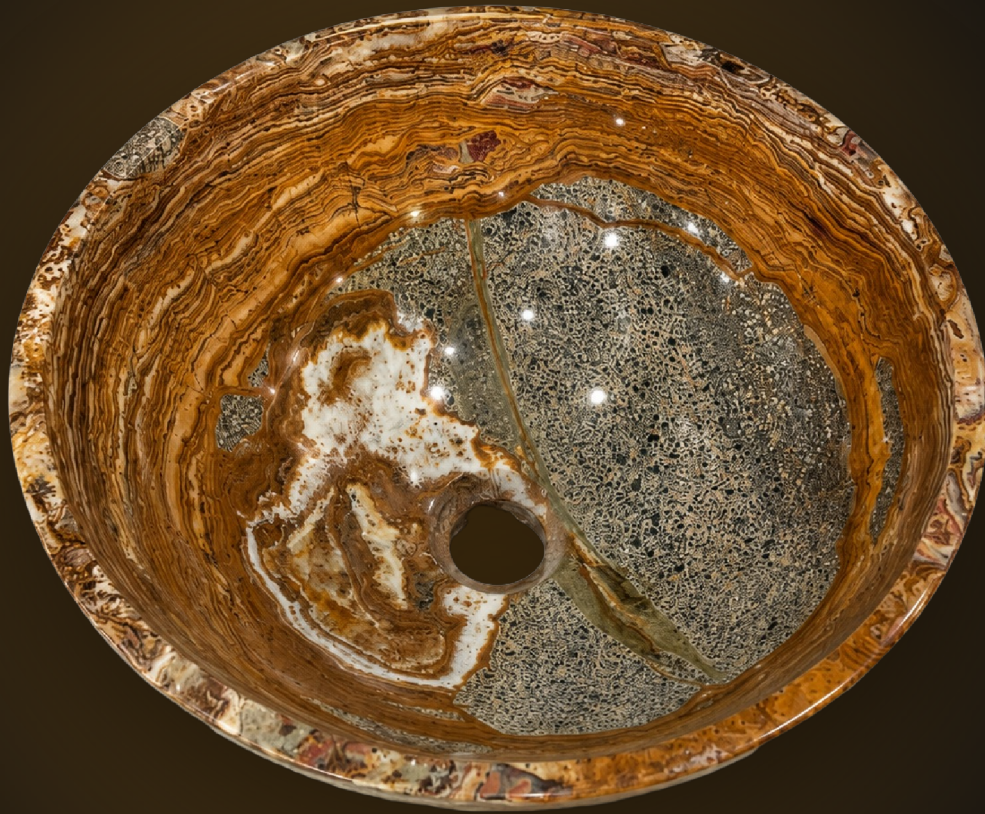

Amber and burnt orange banding on the exterior with a contrasting grey green tone visible on the interior bowl. This shift between tones is inherent to the stone type and creates a layered visual effect particular to the vessel basin form.

Pietra Grey

PIETRA GREY MARBLE

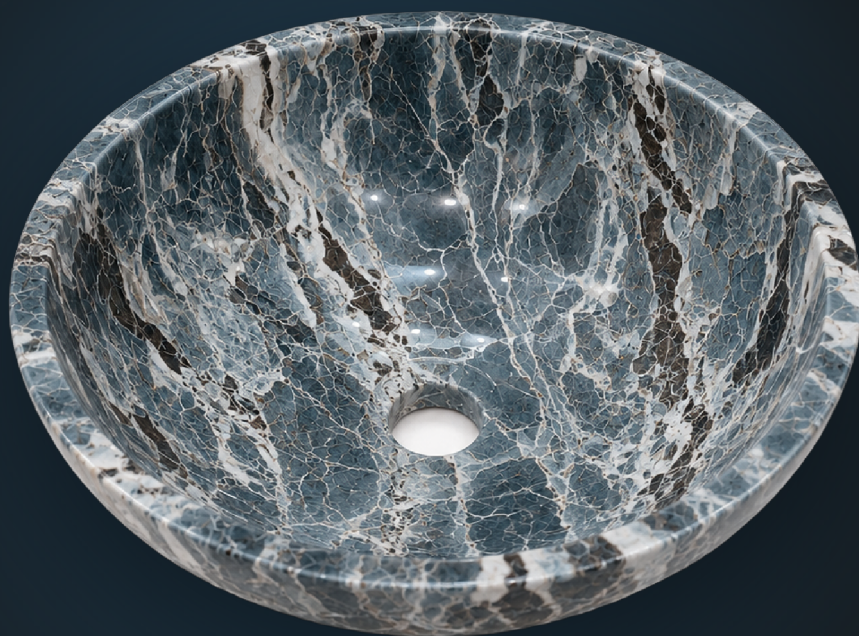

Deep charcoal grey with subtle ghosted veining visible through the surface. Low in contrast and tonally consistent, it suits dark, minimal bathroom schemes where material quality rather than pattern is the focus.

Ocean Blue

OCEAN BLUE MARBLE

Deep blue grey with tonal veining that moves through the stone in softer gradations than a typical high contrast marble. This is an unusual colouring for a vessel basin, working well within coastal, spa or cool toned interior palettes.

Rosso Levanto

ROSSO LEVANTO MARBLE

Deep burgundy red with bold white and green veining. Unmistakable and uncompromising, it is a stone that commands any space it occupies.
